## **Governor Brewer Appoints Superior Court Clerk in Yavapai County**

PHOENIX – Governor Jan Brewer has appointed Donna McQuality as Clerk of the Superior Court in Yavapai County.

Ms. McQuality has served as Court Services Supervisor for the Clerk of Superior Court's Prescott office since 2007, overseeing the Prescott courtroom clerks and the appeals and exhibit clerk. She previously worked as a courtroom clerk in Yavapai County (2002); was elected to the Chino Valley Unified School District Board (1995-98); and has worked as a legal secretary for the Prescott law firm of Murphy, Lutey, Schmitt and Beck (1993-2002) and also for a private firm in Wisconsin, where she lived before moving to Arizona in 1980.

She earned her legal secretary certification in 2006. She is a certified court manager and is scheduled to receive her certification as a court executive in October through the Court Leadership Institute of Arizona.

Ms. McQuality won the primary race in August for the position of Yavapai County Superior Court Clerk and is running uncontested in November. Her appointment by Governor Brewer is made to fill the vacancy created by the passing of Sandra Markham in April.
